Agent School, December 12th (Saturday), Nagoya Institute of Technology

Workshops & Tutorials, December 13th (Sunday), Nagoya Institute of Technology

RoboCup, December 14th - 16th, Nagoya Congress Center

Agent School

December 12th (Saturday)

Room: Y

Coffee Breaks: 11:00~11:15/ 16:30~ 16:45, Lunch: 12:15~13:30

Nagoya Institute of Technology.

09:00 - 09:50	Registration
09:50 - 10:00	Opening
10:00 - 11:00	Introduction to Artificial Market Research Kiyoshi IZUMI, National Institute of Advanced Industrial Science and Technology (AIST), JAPAN
11:00 - 11:15	Coffee Break
11:15 - 12:15	Multiagent Reinforcement Learning Sherief ABDALLAH, Informatics Institute at the British University in Dubai, UAE
12:15 - 13:30	Lunch
13:30 - 15:00	Game Theory Makoto YOKOO, Kyushu University, JAPAN
15:00 - 15:30	Coffee Break
15:30 - 16:30	Programming Rational Agents Koen HINDRIKS, Delft University of Technology, NETHERLANDS
16:45 - 17:45	Advanced Software Design Techniques for Agent Systems, Serge STINCKWICH Universite de Caen Basse Normandie, FRANCE
17:45 -	Closing

Workshops

9:00 – 18:00 December 13th (Sunday)

Coffee Breaks: 11.00 – 11.30 & 15.30 – 16.00

Lunch: 13.00 – 14.00

Nagoya Institute of Technology

W1: Agent-based Collaboration, Coordination and Decision Support (ACCDS)

December 13th (Sunday) - Full day (09:00-18:00),

Room: I1, 2nd floor.

W2: Joint Workshop on Agent Technology for Disaster Management (ATDM) & Intelligent Agents in Sensor Networks and Sensor Web (IASNW)

December 13th (Sunday) - Full day (09:00-18:00),

Room: W, 2nd floor.

W3: Joint workshop on Multi-Agent Simulation in Finance and Economics (MASFE) & Applied Agent based simulator Engineering for Complex System study (AAECS)

December 13th (Sunday) - Full day (09:00-18:00),

Room: Y, 2nd floor.

Tutorials

10:00 – 17:00 December 13th (Sunday)

Coffee Breaks: 11.00 – 11.30 & 15.30 – 16.00

Lunch: 13.00 – 14.00

Nagoya Institute of Technology

T1: Experiments and Simulation of Market with U-Mart System

Hiroshi Sato (National Defense Academy of Japan) and Yoshihito Akimoto (Osaka Prefecture University)

December 13th (Sunday) - Morning (10:00-13:00),

Room: F1, 1st floor.

T2: Game-theory/Mechanism Design/Auctions in Multi-agent Systems

Makoto Yokoo (Kyushu University)

December 13th (Sunday) - Afternoon (14:00-17:00),

Room: F1, 1st floor.

T3: Principles of Practice in Profiling: An Immunity-based System

Yoshiteru Ishida, Koji Harada (Toyohashi University of Technology), Takeshi Okamoto (Kanagawa Institute of Technology) and Yuji Watanabe (Nagoya City University)

December 13th (Sunday) - Afternoon (14:00-17:00),

Room: WY, 3rd floor.

RoboCup

December 14th (Monday) – December 16th (Wednesday)

Room: 211+212

Coffee Breaks: 11:00~11:15/ 16:30~ 16:45, Lunch: 12:15~13:30

Nagoya Congress Center.
